

Comparability Part 2

Ensuring equivalence among schools in teachers, administrators, and other staff.

Please complete and submit the forms below, which compares student/instructional staff ratios in the Title I buildings to those in non-Title I buildings for the 2015-2016 school year and label it as Part 2.

- * There is a separate one-page form to complete for districts who serve all buildings in a grade span with Title I funds.
- * A definition of instructional staff is included in the North Dakota Comparability Guidance.
